

REMARKS/ARGUMENTS

An Action identified as an Advisory Action, dated August 12, 2004, has been received and carefully considered. The Examiner states that there are added limitations that require further consideration and/or search, thereby making the Advisory Action appropriate. However, the response filed on July 29, 2004, for which the Advisory Action was issued, was in response to a Non-Final Office Action. It is respectfully submitted that further consideration and/or search to a response to a Non-Final Office Action is appropriate, and that the Advisory Action, dated August 12, 2004, is not proper at this time.

Withdrawal of the Advisory Action, and new Action from the Office addressing the response filed on July 29, 2004 is requested.

The Examiner is respectfully requested to contact the undersigned attorney with any issues or questions.
